

Grower360 Blend Tickets - SKY Admin

Last Modified on 10/04/2024 7:09 am CDT

Select **Setup** on the Blend Tickets card under Grower360 in SKY Admin.

Blend Tickets

Setup and preferences for blend ticket status in Grower 360.

SETUP

This gives the ability to show the ticket status to Growers by turning on the Blend Ticket Status toggle. Once the Blend Ticket Status toggle is enabled, different statuses display to indicate which should be shown to Growers. When finished, be sure to select Save in the bottom right.
