

Grower360 Blend Tickets - SKY Admin

Last Modified on 01/10/2025 1:58 pm CST

Select **Setup** on the *Blend Tickets* card at *SKY Admin / Grower360 / Orders*.

Blend Tickets

Setup the divisions to display in Grower360 navigation

[SETUP](#)

This gives the ability to show the ticket status to Growers by turning on the *Blend Ticket Status* option. Once the *Blend Ticket Status* option is enabled, different statuses display to indicate which should be shown to Growers. When finished, be sure to select **Save** in the bottom right.
