Customers - Agvance SKY Grain

Last Modified on 07/08/2026 7:29 am CDT

View Customers in Grain View of Agvance SKY Grain. Select *Favorites* to see a list of favorited Customers or *Recents* to see Customers with whom business has been done most recently.

Alternatively, choose **Search all Customers** to open the *Customer Search* **grid**. To favorite a Customer and have them show up in the *Favorites* list, select the **Star**. Favorites have a yellow **Star** icon and display at the top of the grid.

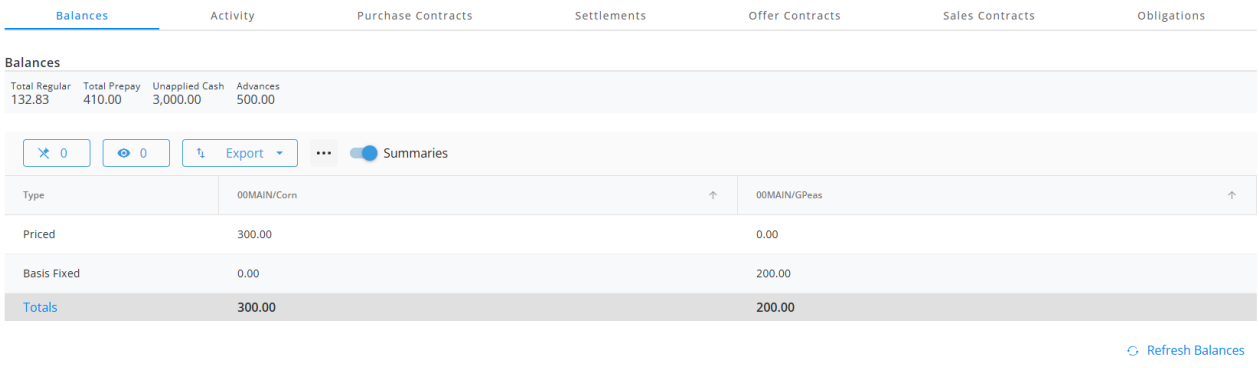

Selecting a Customer either from the *Favorites/Recents* list or the grid navigates to the *Customer Details* page.

Choose *View Customer Details* to see the Customer's address and contact information and *Notes* at the top of the screen. This information can be minimized by selecting *Hide Customer Details*. To switch to a different Customer, choose **Search all Customers** and select from the grid.

Tabs across the top can be selected to view different Grain information for this Customer.

Balances

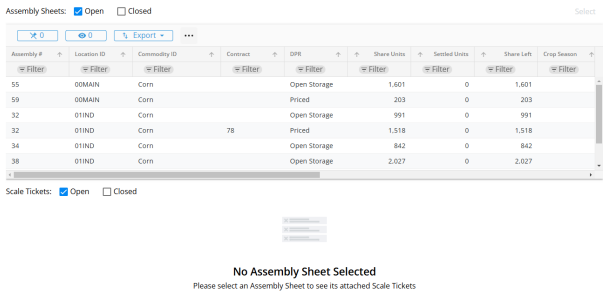

The *Balances* tab shows the Customer's *Total Regular*, *Total Prepay*, *Unapplied Cash*, and *Advances* balances. The grid below shows Scale Ticket balance information with the option to **Refresh Balances** to ensure what is shown is most up-to-date. The *Totals* line can be hidden or displayed by turning the*Summaries* option off or on respectively.

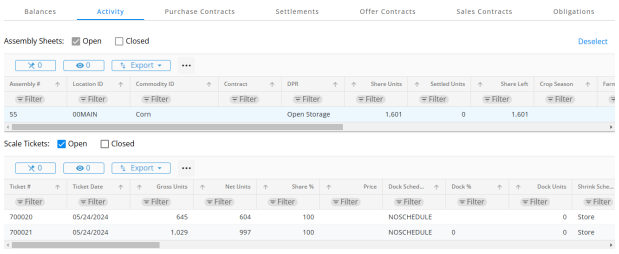

Activity

This tab shows *Assembly Sheets* and *Scale Tickets* once an Assembly Sheet is selected. Optionally show *Open* and/or *Closed* Assembly Sheets and Scale Tickets.

Highlight the desired Assembly Sheet then choose**Select** to display the associated Scale Tickets.

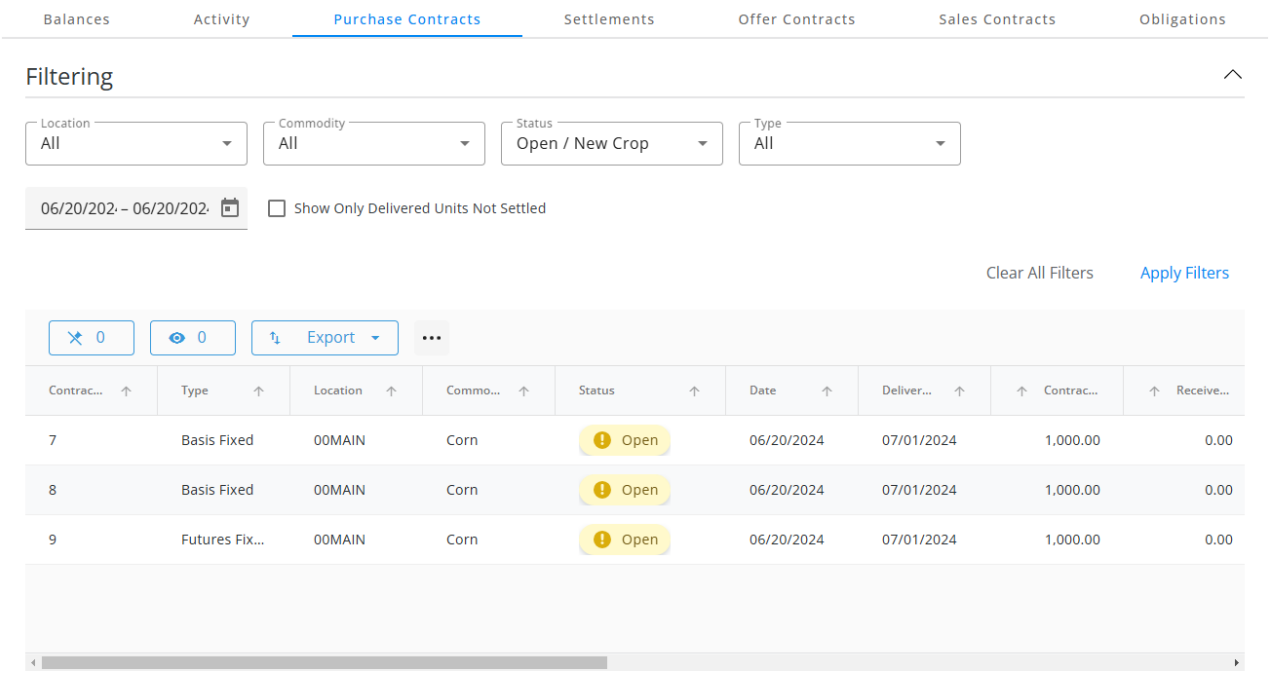

Choose **Deselect** to display the full list of Assembly Sheets and choose another.
