View Customers in Grain View of SKY Grain. Select *Favorites* to see a list of favorited Customers or *Recents* to see Customers with whom business has been done most recently.

Customers

Favorites	>	Anderson, Barry	Search all Customers
Recents	>	Baker, Larry	
		Carmex, Adam	

Alternatively, choose **Search all Customers** to open the *Customer Search grid*. To favorite a Customer and have them show up in the Favorites list, select the Star. Favorites have a yellow Star icon and display at the top of the grid.

Selecting a Customer either from the *Favorites/Recents* list or the grid navigates to the *Customer Details* page.

Choose *View Customer Details* to see the Customer's address and contact information and *Notes* at the top of the screen. This information can be minimized by selecting *Hide Customer Details*. To switch to a different Customer, choose **Search all Customers** and select from the grid.

Tabs across the top can be selected to view different Grain information for this Customer.

Balances

The *Balances* tab shows the Customer's *Total Regular*, *Total Prepay*, *Unapplied Cash*, and *Advances* balances. The grid below shows Scale Ticket balance information with the option to **Refresh Balances** to ensure what is shown is most up-to-date. The *Totals* line can be hidden or displayed by turning the *Summaries* toggle off or on respectively.
