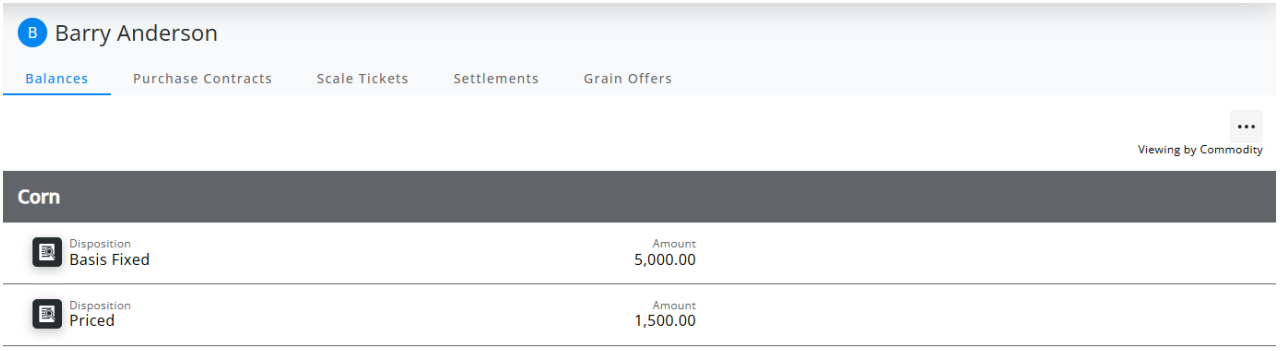
Grain - Agvance SKY Customer

Last Modified on 07/07/2026 7:25 am CDT

Balances

Grain Balances can be viewed by Commodity or by Location. Select the**Ellipsis** button to change the view.



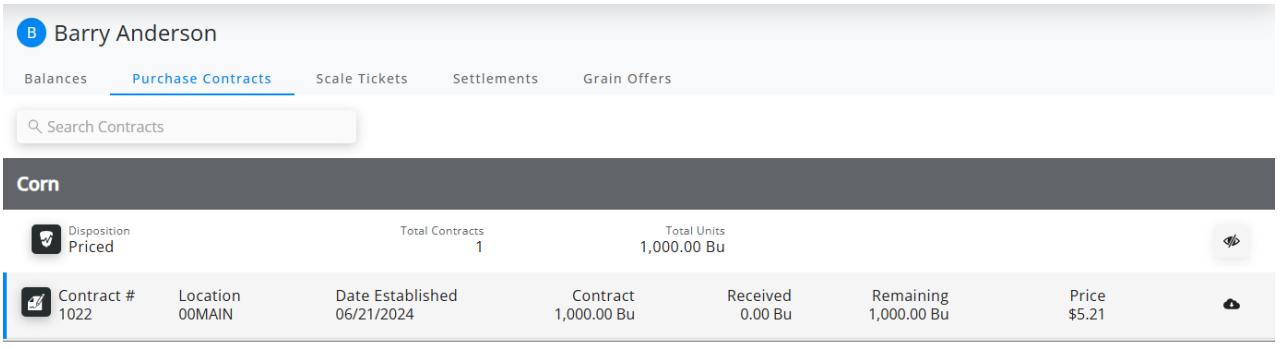
Purchase Contracts

A Purchase Contract allows recording the agreed upon price, quantity, and delivery date of a Commodity to be purchased from the Customer.

The *Purchase Contracts* tab lists contracts by *Commodity* and *Contract Type*.

Select the **Expand** button on the line item to display the *Contract #*, *Location*, *Date Established*, *Contract*, *Received*, *Remaining*, and *Price*.

Choose the **Download** icon to view or download a PDF.



Purchase Contracts can be narrowed down by using the**Filters** button or the *Search* field. Search for Purchase Contracts by Commodity or Contract Number.

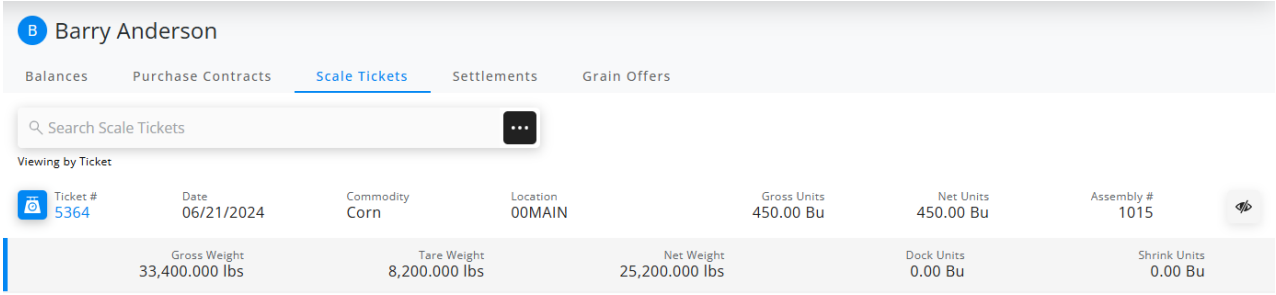
Scale Tickets

Scale Tickets are used to track product being received. Product must be weighed and recorded on a Scale Ticket and the Scale Ticket must then be attached to an Assembly Sheet.

Select the **Ellipsis** to view Scale Tickets by *Ticket*, *Assembly*, or *Commodity*.

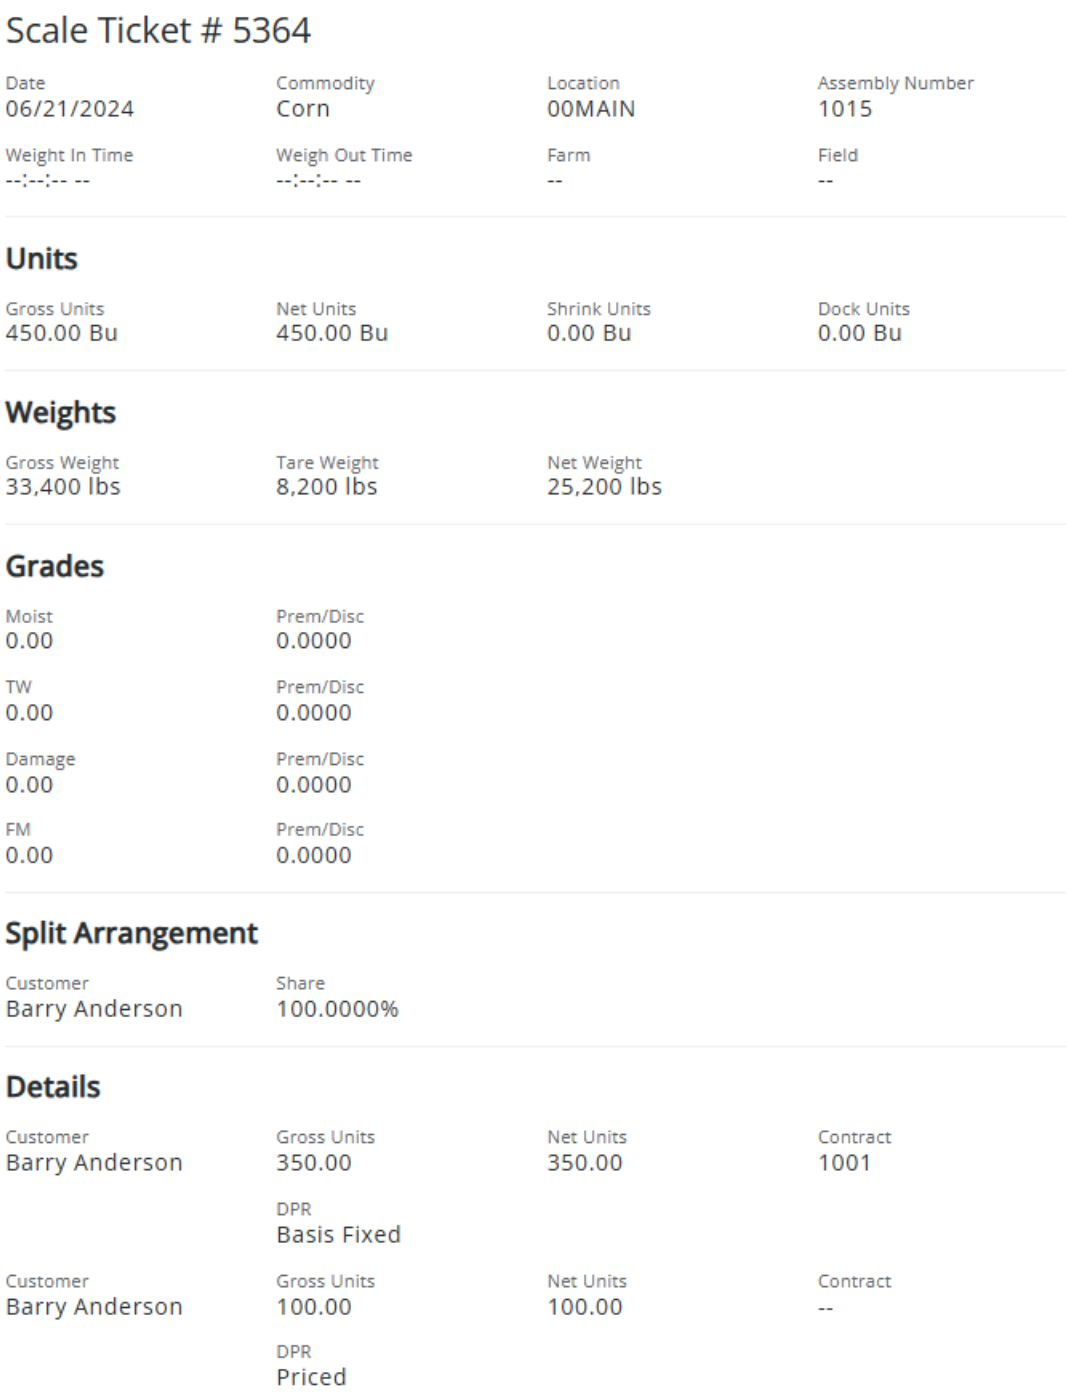
The *Scale Tickets* tab shows all Scale Tickets for the selected Customer. The quick view information displayed includes the *Ticket #*, *Date*, *Commodity*, *Location*, *Gross Units*, *Net Units*, *Assembly*, and the *Farm*.

Select the **Expand** button on the line item to display the *Gross Weight*, *Tare Weight*, *Net Weight*, *Gross Units*, *Dock Units*, *Shrink Units*, and *Net Units*.



Use the *Search Scale Tickets* field to find a specific Scale Ticket or choose the **Filters** icon in the top right to filter the Scale Tickets by *Date Range* or *Commodity*.

Select the Ticket # to view Scale Ticket details including *Units*, *Weights*, *Grades*, and *Split Arrangements*.



Settlements

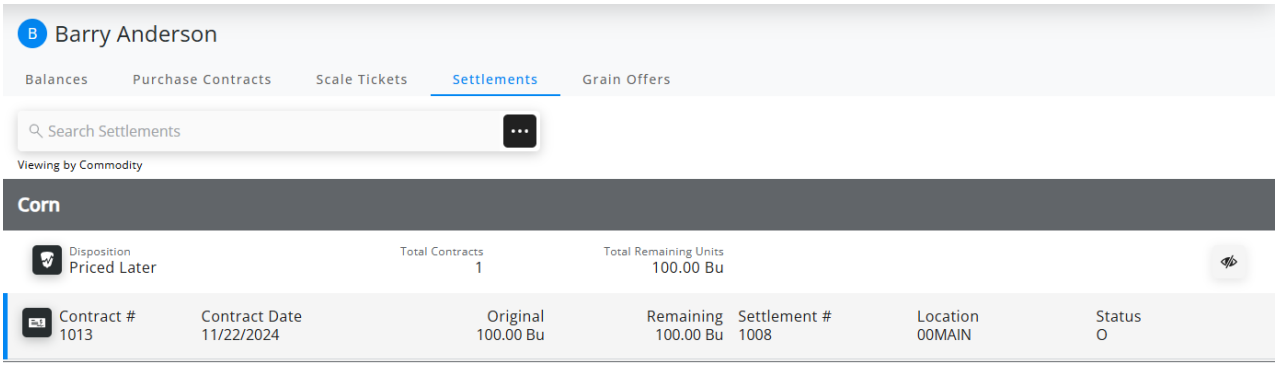
View Grain Settlements by *Commodity* or *Location*. Select the **Ellipsis** to switch between views.

Use the *Search Settlements* field to search for Settlements by *Commodity*, *Contract #*, *Original* amount, *Settlement #*, and *Location*. Additionally, Settlements can be filtered by *Location*, *Date*, *Commodity*, *Disposition*, and/or *Status* by selecting the **Filters** button.

Open Settlements to *Basis Fixed*, *HTA*, *Priced Later*, *Deferred*, or *Grain Bank*. The units and Settlement number are

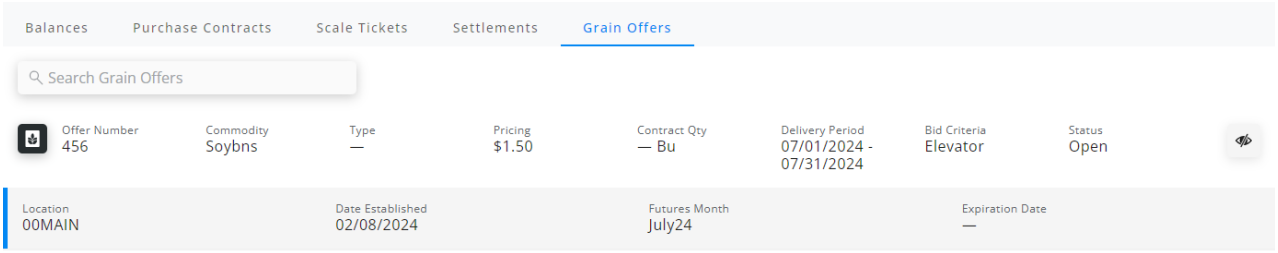
included.

Select the **Expand** button to view additional details.



Grain Offers

View Grain Offers from Agvance Windows on the *Grain Offers* tab in Agvance SKY Customer. Choose the **Filters** icon to specify a date range or to include/exclude those with a status of *Open* or *Closed*.

The *Search Grain Offers* field can be used to narrow down the list even further.


Select the **Expand** button to view additional details regarding the Grain Offer.
