

Overview Page - Grower360

Last Modified on 03/31/2026 1:57 pm CDT

The Overview page in Grower360 gives Growers a snapshot of their account information.

- **Cash Bids** – When Agvance Grain is used and Cash Bid information is set up using an active subscription to DTN or Barchart, Cash Bid information will display. For more information, see [Cash Bid](#).
- **Grower Balances** – Cards for Regular, Prepay, and Budget balances are displayed and give the ability to access balance detail. For more information on balances, see [Grower360 Balances](#).
- **Grain Balances** – When Agvance Grain is used, Grain balances per Commodity will be displayed. For more information on Commodity balances, see [Grower360 Commodities](#).
- **Recent Activity** – The most recent *Payments, Invoices, Scale Tickets, Field Applications, and Requested Orders* on the customer's account can be quickly reviewed. Selecting **See More** on any of the grids displays additional transactions. For more information, see [Recent Activity](#).
