Energy June 2025

Last Modified on 07/07/2025 10:06 am CDT

- **SKYR-558 / Edit Tank** – A new *Feature* permission has been added and is required to *Add/Edit Tank. Edit* is available from the *Tank* grid and the *Tank Information* views.

- **SKYR-690 / PDO Delivery Monitor Details** – Additional Tank Delivery details have been added to the *Product Delivery Order* form when reading Tank monitors.

- **SKYR-714 / Tank Description Character Limits** – SKY Energy displays and allows up to 80 characters for a tank description.

- **SKYR-745 / PDO Additional Comments Field** – An *Additional Comments* field has been added to the Purchase Delivery Order form under the *Order Details* section.

- **SKYR-749 / Out of Gas Details on a PDO** – A checkbox was added to mark the Tank on the Purchase Delivery Order as *Out of Gas* and count how many previous *Times Out of Gas*.

- **SKYR-759 / Max Customers for Splits** – When adding Customers to the Energy or Rental splits, a maximum of eight Customers may be added to a tank split. The **Add Customer** button will become disabled after eight Customers.

- **SKYR-842 / Delete Tank Permission** – A permission has been added in SKY Admin for deleting tanks. By default, this toggle will be off for users.

- **SKYR-862 / Edit Tank Permission** – The *Edit* column on the *Tank* screen is disabled when the User does not have the *Add/Edit Tank* permission enabled in SKY Admin.
