Last Modified on 08/21/2025 10:19 am CDT

- **AN-3432 / Sales Order** – The Sales Order data source now includes the *Term* or *Discount* that is on the Sales Order.
- **AN-3430 / Shipments** – Grade Factor Names, Grade Factor Values, Shipment Number, Customer, and Destination were added to the Shipment data source. Contract Numbers, Scale Ticket Numbers, Freight Vendor, and Estimated and Destination Units were also added. The Grain Activity dashboard was updated to reflect these changes.
