

# Order August 2025

Last Modified on 08/28/2025 3:56 pm CDT

- **SKYD-837 / Ordered Analysis/Lbs of Analysis** – The *Formulate By*, *Lbs of Analysis*, *Optimize by*, and *Ordered* analysis are saved when adding a Blend/Plan and load in as expected when viewing/editing a Blend/Plan.
- **SKYD-788 / Set Price Level** – When adding **Blends** and **Plans**, the *Price Level* can be set for all Products for the Customer.
- **SKYD-1018, 1025 / Ticket Date** – When adding/editing Delivery Tickets or Work Orders, the *Ticket Date* is now available and a required field in the *Order Details* section.
- **SKYD-935 / Work Order Products** – Products tied to the *Service Type* selected on a Work Order are listed as view-only information when adding Work Orders.
