

Change Products on Field Plans

Last Modified on 01/23/2026 10:45 am CST

Products can be modified on unloaded Blend Tickets or Field Plans.

1. Edit the Blend Ticket or Field Plan and go to the *Products* tab.

2. To remove a Product, highlight the row, then press **Delete** on the keyboard.
3. Any additional Products can be added by using the normal Product selection process for **Blends** or **Plans**.
4. If necessary, reorder the Products.

Products cannot be deleted from loaded Blend Tickets. However, a quantity can be entered and recalculated if necessary. Entering a zero quantity is the recommended method.
