- **SV-2474 / Favorite Products Available for Sale** – The Inventory screen now has a *Favorite* tab.
  - **Why** – This tab gives the ability to choose from Favorite Products rather than searching.
  - **When/Where** – This new tab is available on the *Inventory Products* screen.
  - **Action Needed** – No action required.
- **SV-2478 / DT Available for Sale** – The *Available for Sale* on the Delivery Ticket shows the amount for the Department/Product on the Delivery Ticket only.
  - **Why** – This allows the Available for Sale to be more specific to the Delivery Ticket's Location.
  - **When/Where** – The Available for Sale on the Delivery Ticket will only show the amount for the Department/Product rather than all matching Products across Locations.
  - **Action Needed** – No action required.
- **SV-2479 / BOLs Remove Products** – When adding/editing BOLs, swipe left on a Product to remove it.
  - **Why** – This change allows removing Products from BOLs with fewer steps, making the process more efficient.
  - **When/Where** – This can be seen when adding or editing BOLs.
  - **Action Needed** – No action required.
- **SV-2515 / Inventory Count** – The inventory *Count* and *Variance* are updated as expected when multiple users are entering counts for the same frozen Product.
  - **Why** – This update allows for accuracy when counting inventory.
  - **When/Where** – *Counts* and *Variances* are updated in Advance as expected.
  - **Action Needed** – No action required.
- **SV-2517 / Android Printing** – Delivery Ticket PDFs can be downloaded and printed from Android devices.
  - **Why** – Android devices were previously unable to download or print Delivery Ticket documents.
  - **When/Where** – This update can be seen when attempting to download/print PDFs for Delivery Tickets on an Android device.
  - **Action Needed** – No action required.
- **SV-2521 / Inventory Loading Results** – Counts can be entered on all frozen Products (adhering to User restrictions).
  - **Why** – When a larger number of frozen Products were listed, an error message was displaying rather than allowing counts to be entered on frozen Products.
  - **When/Where** – A larger list of frozen Products can have counts entered as expected.
  - **Action Needed** – No action required.
