## Accounting

### A/R

- **FTM-5079 / Cost Warning AR Invoice** – The cost warning message no longer displays when posting an AR Invoice.
  - **Why** – This improves efficiency when adding Invoices.
  - **When/Where** – This applies to Invoices added under the A/R menu in Accounting, with the **Add an Invoice** icon, or imported.
  - **Action Needed** – No action required.
